

Ghost is a normal person. He has jobs to handle on a daily basis, but nothing that he can't handle.

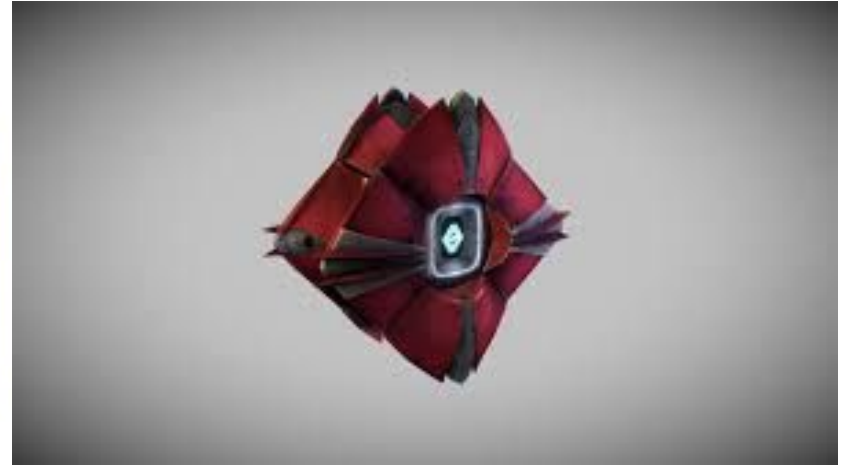

One day, his job becomes a lot busier and he starts to become overwhelmed with his responsibilities.

As the days go on he becomes more and more overwhelmed and he starts to accidentally mix his jobs together.

He can't seem to find a way to manage it all on his own, so he calls his friend for advice.

He explains his situation to his friend and he tells him about this schedule planner app that allows him to easily organize his responsibilities.

He downloads the app and instantly his responsibilities become clear and now knows how and when to tackle each one.

Camille is a very busy assistant to the CEO of Fabletics meaning she barely has time to arrange her own affairs.

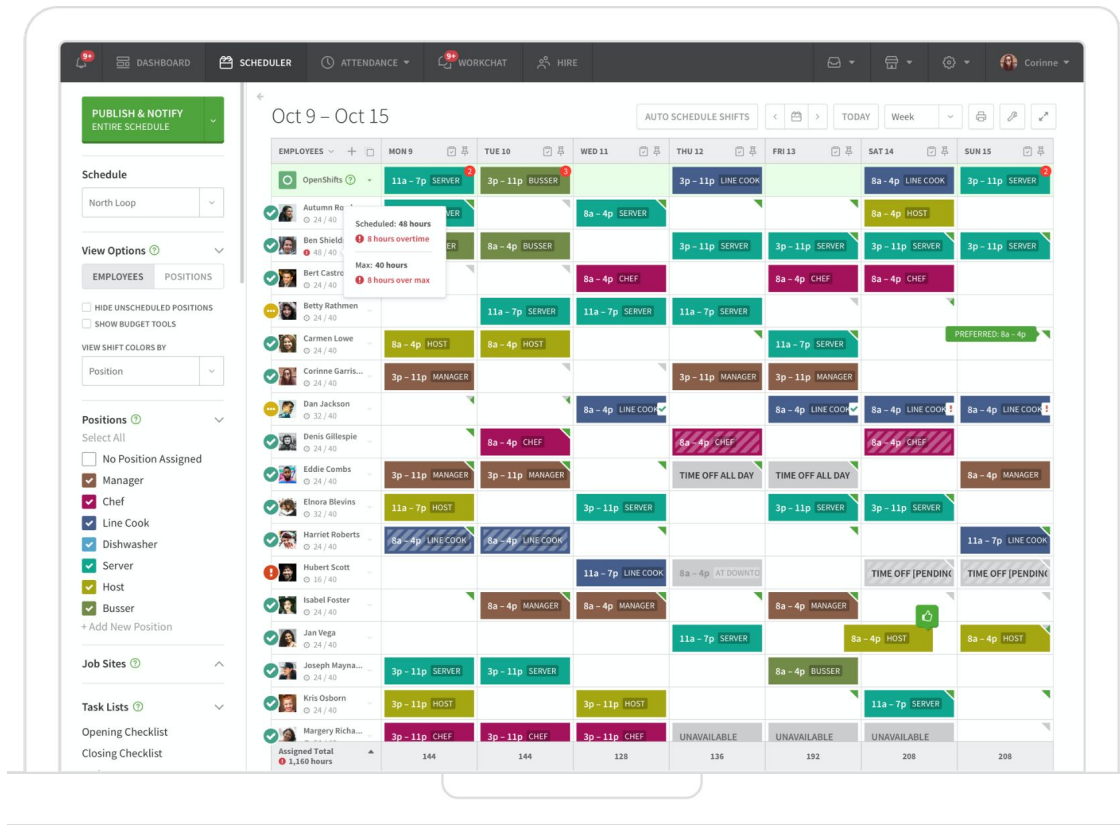

Camille's sister, Mary, had set her wedding to be on Saturday and Camille was supposed to be the Maid of Honor. Camille, not having a organized schedule, forgot about the wedding and caused Mary's wedding to be a disaster because she didn't show up.

Camille was devastated about missing her sister's wedding and eventually started forgetting other events in her life.

Struggling to find a way to manage her own life, Camille started to get stressed out about how she can organize her personal life.

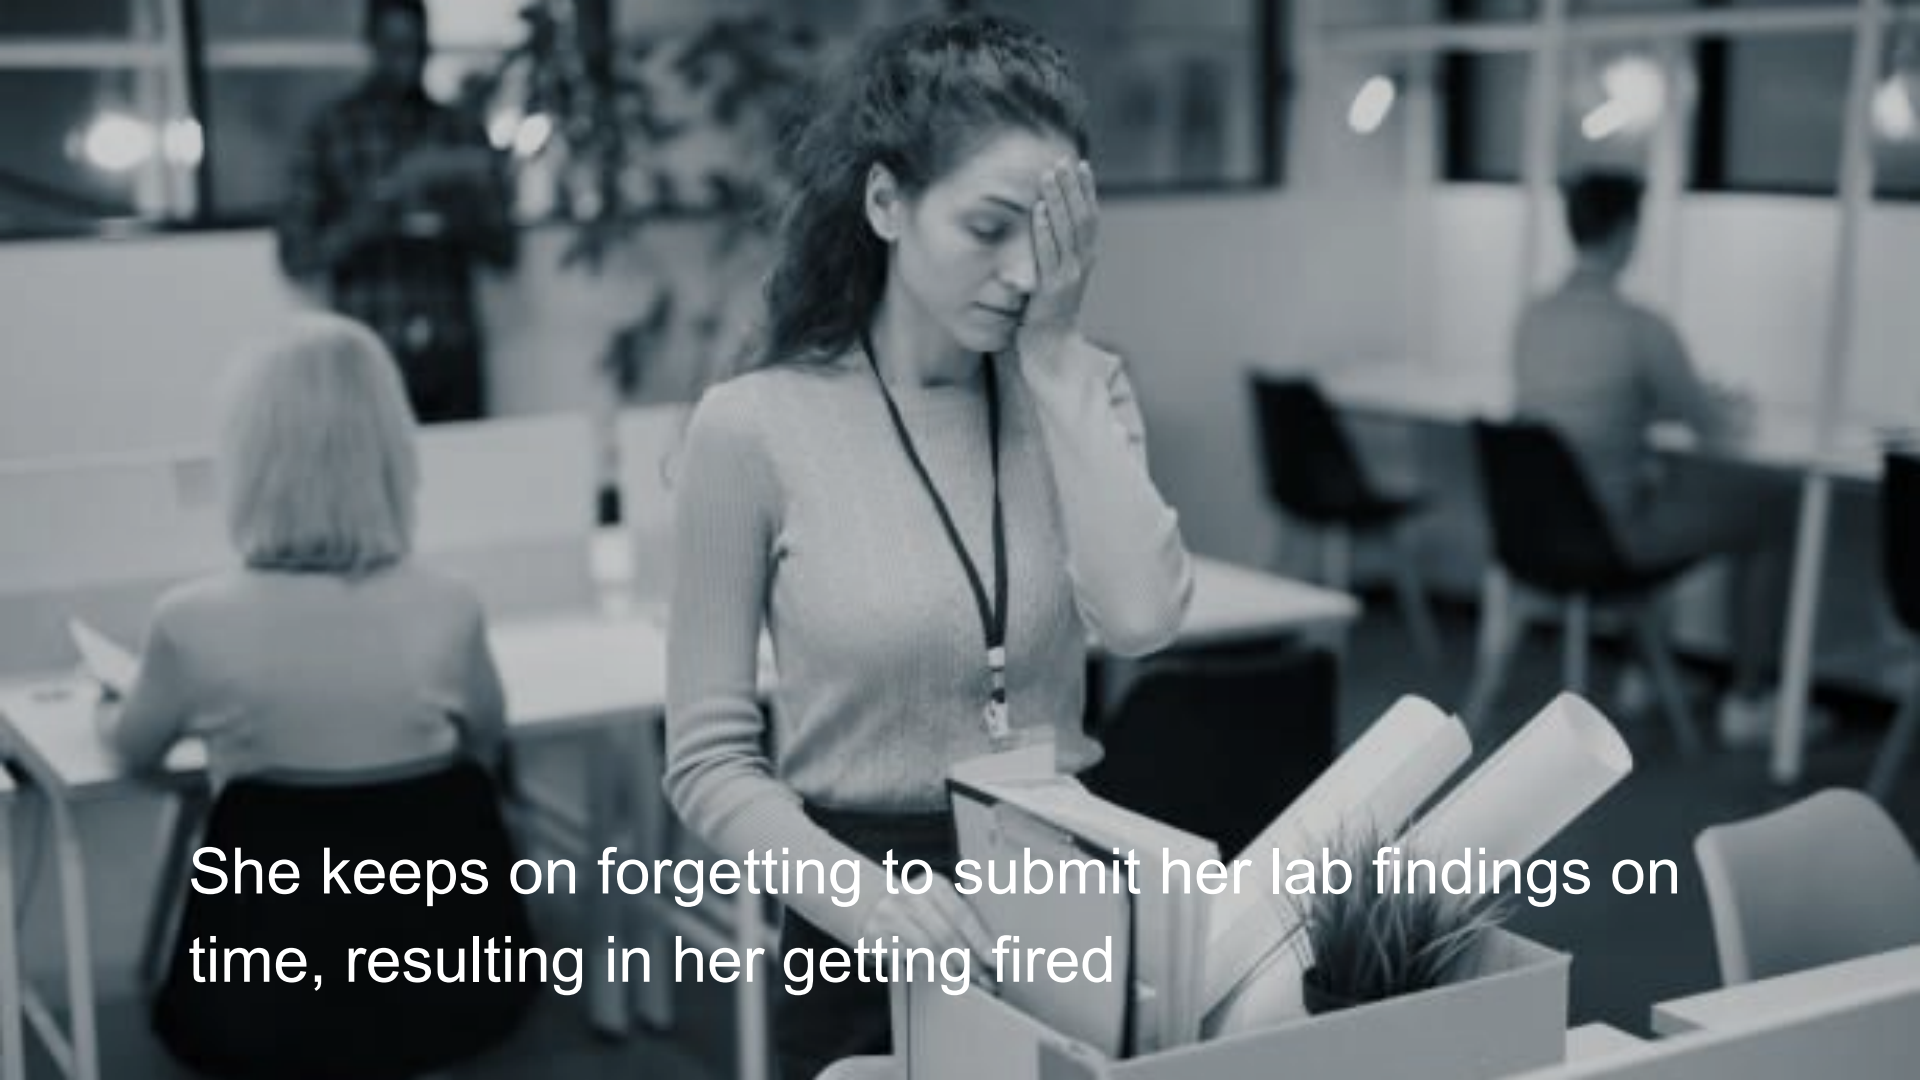

Camille searched for the right app and finally landed on a Scheduling app that fits all of her needs. She can now organize her personal schedule just as easily as a tap on a screen.

Now that Camille can organize her affairs, she can schedule her work life as well as her personal life and have fun.

Scientist at Generic
Cock Co.**

A black and white photograph of a woman in an office setting. She is standing, looking down with a distressed expression, her hand covering her face. She is wearing a light-colored sweater and a lanyard. In front of her is an open cardboard box containing papers and a small potted plant. The background shows other office workers at their desks, blurred to emphasize the woman in the foreground.

She keeps on forgetting to submit her lab findings on time, resulting in her getting fired

Turn Your Life Around!

A woman in a red dress stands on a path leading to a sunset, with her arms raised in a gesture of triumph or realization. The sky is filled with vibrant orange and yellow clouds, and the sun is low on the horizon. The path is a light-colored gravel or dirt road that stretches from the foreground into the distance, flanked by green fields.

She realizes that she needs to
turn her life around, and
downloads the patent pending
Schedule Maker Pro App

Sam realizes that god created her too powerful, and thus nerfed her with the inability to keep herself on schedule. Luckily, the scheduling app allows her to utilize 100% of her potential by reminding her of her work with little to no effort on her part!

Herman seems to be extremely busy with his new teaching job and find it hard to balance it with working out and keeping in touch with his family and friends.

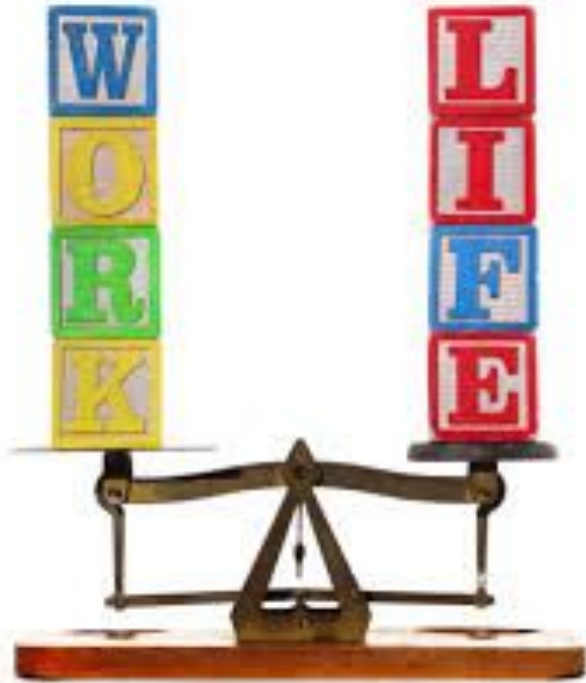

Herman's brother dirman notices that he is struggling with juggling everything and decides to try out the Scheduler Maker pro app.

While using the app, Dirman finds it easier to stick to his schedule and get all his assignments done.

Dirman later suggests the app to Herman and tells him it is what he need to succeed with his new teaching job.

While using the app, Herman manages to plan his class, go to the gym, and hangout with his friends.

With this newfound freedom, Herman feels like a new man that can complete any problem that comes his way.
